

Senseonics to Present at the Stifel 2022 Healthcare Conference

November 09, 2022

GERMANTOWN, Md.--(BUSINESS WIRE)-- Senseonics Holdings, Inc. (NYSE American: SENS) a medical technology company focused on the development and manufacturing of long-term, implantable continuous glucose monitoring (CGM) systems for people with diabetes, today announced plans to participate in the upcoming Stifel Healthcare Conference in New York, NY.

Management is scheduled to participate on Tuesday, November 15, 2022 at 11:30am ET and will hold one-on-one meetings following. Interested parties can access a live and recorded webcast presentation directly by following this [link](#). An archived webcast of the presentation will be available on the “Investors” section of the company’s website at www.senseonics.com.

About Senseonics

Senseonics Holdings, Inc. is a medical technology company focused on the development and manufacturing of glucose monitoring products designed to transform lives in the global diabetes community with differentiated, long-term implantable glucose management technology. Senseonics' CGM systems, Eversense[®], Eversense[®] XL and Eversense[®] E3 include a small sensor inserted completely under the skin that communicates with a smart transmitter worn over the sensor. The glucose data are automatically sent every 5 minutes to a mobile app on the user's smartphone.
